

INTERFINISH-SERIA 2014

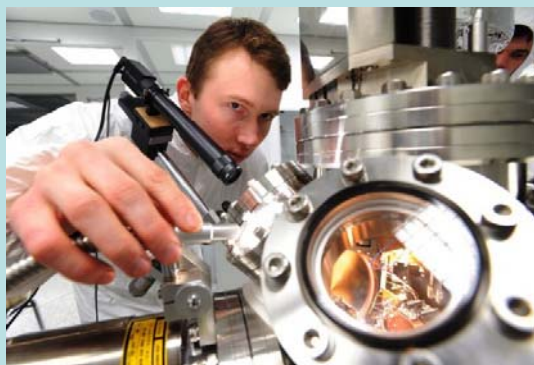

International Conference on Surface Engineering for Research and Industrial Applications

June 30 - July 04, 2014
Novosibirsk State Technical University
Novosibirsk, Russia

Website: <http://interfinish.blogspot.com>

Abstracts for Oral Presentations-Deadline: April 1, 2014
Abstracts for Poster Presentations-Deadline: April 1, 2014

Visa Information – Important

SCOPE/SECTIONS :
Deposition techniques
Coating mechanisms
Functional films
Surface treatment
Films characterization

Conference is conducted by Novosibirsk State Technical University, Novosibirsk, Russia in association with

- Rajalakshmi Engineering College, Chennai, INDIA,
- International Union for Surface Finishing (IUSF), Singapore
- Surface Engineering Association (SEA), Singapore
- TDISIE SB RAS, Novosibirsk, Russia
- ISSCM SB RAS, Novosibirsk, Russia
- Novosibirsk State University, Novosibirsk, Russia

Conference Language is English

Novosibirsk is the most populated city of Siberia with developed tourist infrastructure and International Airport easily available from main airports of Europe and Asia. Novosibirsk is well-known industrial, cultural and scientific center with several universities and many academic institutions.

Abstracts of one-page length should be submitted to Secretariat e-mail interfinish2014@gmail.com as soon as possible and no later than the deadlines noted above. The abstract template is available at the Conference website.

The abstract should include both the significance of the research as well as results that will be discussed in order to allow a scientific assessment of the work by the organizers.

Please indicate the session for which you are submitting your abstract: “oral presentation”, “poster presentation” or “workshop lecture”

Only a limited number of oral presentation slots are available and thus all submissions for oral sessions will be considered for both oral and poster presentation. Abstracts may be submitted for workshops.

Publications. During the Conference authors may submit manuscripts not succeeding 6 pages for oral and 4 pages for poster reports to Special Issues of journals “Materials and Manufacturing Processes” and “Surface Engineering”. The paper templates are given at Conference website.

Conference Chairs:

Dr. Sci. Nikolai F. UVAROV
Professor, Head of Department of Chemistry and
Chemical Engineering, Novosibirsk State
Technical University, Novosibirsk

STEERING COMMITTEE

Prof. N.V. Pustovoy, Rector of Novosibirsk State Technical University, Novosibirsk, Russia
Prof. Yu. V. Chuguy. Director of Technological Design Institute of Scientific Instrument
Engineering SB RAS, Novosibirsk Russia
Prof. N. Z. Lyakhov, Director of Institute of Solid State chemistry and Mechanochemistry SB
RAS, Novosibirsk Russia
Prof. E. B. Tsoy, Vice-rector of Novosibirsk State Technical University, Novosibirsk, Russia

Scientific Program Chair

Dr. Sc. Michael P. ANISIMOV
Professor, Department of Chemistry and Chemical Technology,
Novosibirsk State Technical University, Novosibirsk, Russia
Nanoaerosol Research Lab Head, TDISIE SBRAS, Novosibirsk Russia

PATRONS

Prof. N.V. Pustovoy, Rector of Novosibirsk State Technical University, Novosibirsk, Russia
Dr. Vijay Kumar Saraswat, SA to RM, Secretary, Defence R&D, DRDO, New Delhi
Prof. C.R. Muthukrishnan, Advisor, Rajalakshmi Institutions

International Advisory Board

Dr. Akitoshi Terasawa, Surface Finishing Society of Japan, Japan
Dr. Baldev Raj, President INAE, Past Director, IGCAR, Kalpakkam
Dr. Hee Taek Yum, VP, USF, Korea
Dr. Pietro Luigi Cavalotti, President, IUSF, Politecnico di Milano, It.
Prof. V.A. Zhmud, NSTU, Novosibirsk, Russia

International Organizing Committee

Dr. Ashok Kumar, Director, NREC, University of South Florida, USA
Mr. C P Kam, President, SSEA, Singapore
Dr. Ma Jie, China Surface Engineering Association, China
Dr. T.S.N Sankaranayanan, Chonbuk National University, South Korea
Mr. Stewart Hemsley Global R&D Manager (Plating), Metalor Technologies, Singapore
Mr. Yaadhav Raaj, AIATS, Singapore
Prof. V.A. Zagaynov, Head of the Aerodisperse Systems Lab. KIPC, Moscow, Russia
Prof. I.K. Igumenov, Head of Lab INC SB RAS, Novosibirsk, Russia
Prof. N.Z. Lyakhov, Director of ISSCM SB RAS, Novosibirsk, Russia
Prof. A.I. Masliy, Head of Laboratory ISSCM SB RAS, Novosibirsk, Russia
Dr. Elena Fominykh, Vyatka State University, Kirov, Russia
Prof. Alexandr B. Kaplun, Termophysics Institute SB RAS, Novosibirsk, Russia
Prof. Yevgen V. Chikhray, IETP of Kazakh National University, Almaty

Plenary Speakers / Tentative title:

Dr. Gopal / Magnetically Receptive Green Solder for Precious and rapid Heating Applications .

Prof. I.K. Igumenov / Modern MO-CVD Technologies

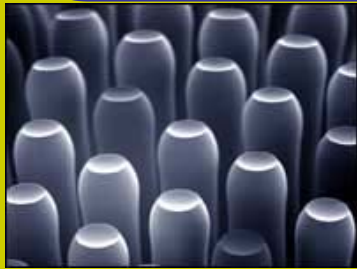

Prof. V.A. Nadolinnyii / Nanocrystalline ceramic coatings on the metal surfaces obtained by the micro-plasma oxidation method.

Prof. M. P. Anisimov / Heterogeneous and homogeneous nucleation in application to coatings.

Dr. N.I. Baklanova / Formation of coating on inorganic fibrous materials.

Prof. A.I. Masliy / Chemical and electrochemical metal deposition on polymers.

List of speakers is under completion

Tutorials involve several hot topics such as:

Mr Steven B. METALLOR. Precious Metal Plating,

Dr. Gopal Krishnan. Practical Surface Analysis,

Dr. Lee. PSM/KOREA , Plasma Technology

Dr. M. Anisimov. Nucleation as a basis for Nanosystems production.

Technical Exhibition

During the Conference it is planned to organize an Technical Exhibition at Novosibirsk State Technical University Table top discussions will be organized with representatives of industrial and innovation companies of Novosibirsk and adjacent regions of Russia.

Companies are welcome to participate the Conference and Technical Exhibition as Sponsors-Participants with options given at the Conference website.

Conference fees:

Regular participants

300 USD

Students

100 USD

Regular Participants from Russia

3000 RUB

Russian Students

1000 RUB

Technical Exhibition Participant/Sponsor

500 USD

The conference fees includes: Conference sessions, coffee and tea breaks, Welcome Dinner, access to Exhibitions and Table top discussions.

Social program

Several Social events will be organized, including two Conference Dinners, excursions around the Novosibirsk City, the Ob river, Geological and Archeological Museums in Academtown. According to preliminary agreement, the Hermitage Museum at St. Petersburg will be available from 3 to 4 July for all Conference visitors and participants (payment required).
